POLICY REGARDING THE “FREQUENT GUEST LOYALTY PROGRAM”

1. For every 6 nights stayed (REGULAR and CORPORATE rates only – does not apply to any discounted or billing account rates) the Guest will be given ONE (1) FREE NIGHT at the Inn on Long Lake.
2. We will track the number of nights stayed and the number of free nights awarded.
3. No restrictions apply to the free night/s EXCEPT:
 - a) Number and type of rooms available;
 - b) The maximum number of free nights that may be “banked” is THREE (3);
 - c) Depending on a) above, the banked nights may have to be used in COMBINATION with a Regular or Corporate room rate in the event that not all nights are available for the guest’s FREE stay (eg. Availability is good for the Saturday and Sunday night but not for the Friday – the guest could then pay for the Friday night and apply 2 banked free nights to the Saturday and Sunday, etc.);
 - d) Free nights may only be booked through the General Manager or Hotel Manager and can only be made no sooner than TWO (2) WEEKS in advance of the arrival date.

This Frequent Guest Loyalty Program is in effect until further notice from the Inn on Long Lake and its corporate management.
